

Rudolph! Rudolph!

Rudolph! Rudolph!
What will you do?
You can't guide Santa
IF your nose is **blue!**

Rudolph! Rudolph!
You're such a silly fellow,
Who will know it's you
If your nose is **yellow!**

Rudolph! Rudolph!
Your way cannot be seen
Through the wintry weather
If your nose is **green!**

Rudolph! Rudolph!
Santa gave a wink,
But what will Santa think
If your nose is **pink?**

Rudolph! Rudolph!
It's time to fly at night
But you're quite a sight
Cause your nose is **white!**

Rudolph! Rudolph!
It's time to go to town
But Santa's wearing a frown
Cause your nose is **brown!**

Rudolph! Rudolph!
Santa has his sack,
But you're not ready
If your nose is **black!**

Rudolph! Rudolph!
The children are in bed.
And now I know you're ready
Cause your nose is **red!**
