

Early Hand Signs

Pat chest with open hand.

Tap the fingertips of both hands together several times.

Flip hands to palms out.

Place palm on chest & move it around in a circular motion.

Place fingertips against lips, like putting food in your mouth.

Make a "cup" with your hand. Bring "cup" to mouth in a drinking motion.

Touch lips with fingers, move hand away from mouth with palm up.

Make a fist with both hands extending thumb and pinkie. Then, rotate hands up and down.
